*The Landlord's Guide to Minnesota Law* HOME Line, Michael Vraa, Esq., Samuel Spaid, Esq., 2015-10-05 The *Landlord's Guide to Minnesota Law* addresses every landlord-tenant legal issue that is likely to arise over the course of a lease. From how to find a tenant to what to do once they leave, it is a practical and thorough legal analysis of what Minnesota landlords need to know about complying with the relevant federal, state and local laws. At the end of each chapter you'll find "Tips from a Tenant Attorney." These tips offer more creative advice on how landlords can solve difficult legal situations or prevent them from ever occurring. Also included is our exclusive line-by-line analysis of the Minnesota State Bar Association's Model Residential Lease. Instead of guessing what your lease terms mean, this guide tells you why each term exists and how it

applies to your situation. This book was written by practicing attorneys in Minnesota who work exclusively in landlord-tenant law. There are dozens of legal guides available online for landlords, but none of them focus on Minnesota statutes and regulations, and when it comes to landlord-tenant legal issues, state law is key. Both authors are currently practicing attorneys with over 25 years of experience in tenant landlord law, advising over 39,000 renters on HOME Line's tenant hotline. They also train a wide variety of audiences in tenant landlord law, including over 100 trainings to landlord groups throughout Minnesota.
