Warriors are forged in darkness. Teenage criminal Dylan and her twin brother Devin are struggling to survive the streets. After an attempt to steal food goes horribly wrong, the twins are offered a deal. Their needs will be provided for if they join the ranks of the Rhodi. This elite group of supernatural warriors battle against the Hunter's Guild, a dark force that is threatening to destroy their world. As the last line of defense against darkness, the Rhodi must band together to stop the Guild using a combination of martial arts and magic. Devin loves his new life among the ranks of the Rhodi, excelling in his studies and abilities. However, Dylan struggles to discover her powers, and her identity within the faction. Her depression, grief and pain are marked by a new scar on her wrist each time she fails— a secret she knows would deeply hurt her Rhodi master, who strives to become the father she lost. To transform into the warrior she desires to be, and defeat the Hunter's Guild, Dylan must learn to accept herself for who she is, and forgive herself for past mistakes. But the Rhodi are hiding secrets... secrets that prove dangerous to keep. If they're going to win the war, the Rhodi must come together, and learn to trust each other. There is undiscovered power hiding within Dylan, and to save the world, that power must come into the light. *Rhodi's Light* is a tragic fantasy full of broken and beautiful characters. Anything But: The Musings of an Outcast, Me, Razberry Sweet Megan Linski, 2018-01-16 Seventeen-year-old Raz uses his gift for acting to hide the truth of who he really is. After being a target for the bullies at his high school, he's sworn that this year, he's going to reinvent himself. Instead of the shy theater geek he's always been, he's decided to portray a new identity so he can belong. Getting noticed in a small town is difficult, especially when you've got Raz's reputation— because last summer gave him a black record and a secret. Video camera in hand, Raz decides to make a movie that'll put him in the spotlight, working together with the biggest misfits, outcasts, and rebels the school can put together. As Raz's misadventures continue, he discovers fitting in and finding himself is scarier than navigating his first kiss. But keeping up an act is harder than it looks, and Raz is about to learn that accepting who you truly are is better than putting on a mask. A coming-of-age high school contemporary novella, *Anything But* is a young adult story about self-love that's funny, touching, and full of friendship. The first book in the Razberry Sweet series.

After years of auditioning, Raz finally lands a role on his favorite show, and is hired to work for one of the biggest studios in Hollywood as a main actor. At the same time, his college acting class has voted to make him director of the school's next big production, and they want to portray his script on-stage. Keeping up the balancing act of being a star and directing a bunch of theater kids at the same time is no laughing matter. Too bad no one told the theater kids. Torn between fame and the play, Raz realizes what he really wants out of life. It might just be his best friend, Maymee. But being in love is more complicated than he thought, and Raz isn't sure he's brave enough to tell her how he feels. To stand up for what he believes, Raz will have to give something up. In the end, he finds not even his worst mistakes can get in the way of his happy ending. A college young adult novella, the last book in the Razberry Sweet series is hilarious, heartfelt, and full of friendship.

aren't as supportive as they once were. Raz has a decision to make. Torn between his crush and his future, Raz is unsure if he'll see his name in lights... or if everything will come crashing down. A young adult coming-of-age story, the second book in the Razberry Sweet series is a heartbreaking story about discovering who you are and finding where you belong.

Our foe has an army, so we must find one of our own, and convince others to join our cause. The freedom of the world, as well as the destiny of the angels and demons, lies in our hands. Death is fated and loss is certain. In the end, one of us must sacrifice everything to keep the ones we love alive. This war will change everything. Friendship and Empire Paul J. Burton,2011-11-10 In this bold new interpretation of the origins of ancient Rome's overseas empire, Dr Burton charts the impact of the psychology, language and gestures associated with the Roman concept of amicitia, or 'friendship'. The book challenges the prevailing orthodox Cold War-era realist interpretation of Roman imperialism and argues that language and ideals contributed just as much to Roman empire-building as military muscle. Using a constructivist theoretical framework drawn from international relations, Dr Burton replaces the modern scholarly fiction of a Roman empire built on networks of foreign clients and client-states with an interpretation grounded firmly in the discursive habits of the ancient texts themselves. The results better account for the peculiar rhythms of Rome's earliest period of overseas expansion - brief periods of vigorous military and diplomatic activity, such as the rolling back of Seleucid power in Asia Minor and Greece in 192-188 BC, followed by long periods of inactivity.
