

Un Uomo In Fuga La Vera Storia Del Tenente Alasta

Trent Dalton

The Man from the Great North Hugo Pratt, 2017 Set in the snowy wastelands of Canada around 1912, this provocative graphic novel deals with complex moral choices. Jesuit Joe, the protagonist, is of French-Canadian and Mohawk descent and is embarked on an obsessive religious search for the Absolute. His actions reflect a disturbed personality with an unorthodox ethical code. He kills with terrible ease and reveals an unmatched cruelty and ferocity, yet when his mood suddenly shifts, he is capable of unexpected acts of kindness and compassion. He wears the red serge jacket of the Canadian Mounties that he found in a hut, which gives rise to a series of misunderstandings when he is mistaken for a member of the Canadian Mounted Police, and is tracked by his nemesis, Sergeant Fox, whose mission is to capture Jesuit Joe and bring him to justice. Page 4 of cover.

The Truth About the Harry Quebert Affair Joel Dicker, 2014-05-27 Instant New York Times Bestseller
“Unimpeachably terrific.” —The New York Times Book Review For fans of Ruth Ware, Shari Lapena, and Donna Tartt: a twisty, fast-paced, cinematic literary thriller, and an ingenious book within a book, by the #1 internationally bestselling author of *The Enigma of Room 622* Marcus Goldman is riding high. The twenty-eight-year-old writer is the new darling of American letters, whose debut novel has sold two million copies. But when it comes time to produce a new book, he is sidelined by a crippling case of writer’s block. He travels to Somerset, New Hampshire, to see his mentor, Harry Quebert, one of the country’s most respected writers, hoping to jar his creative juices as his publisher’s deadline looms. But Marcus’s plans are upended when Harry is sensationally implicated in a cold-case murder: Fifteen-year-old Nola Kellergan went missing in 1975, and Harry admits to having had an affair with her. Following a trail of clues through the backwoods and isolated beaches of New Hampshire, Marcus must answer two questions, which are mysteriously connected: Who killed Nola Kellergan? And how do you write a book to save someone’s life? Translated from the French by Sam Taylor Named a Best Book of the Summer by CBS This Morning, Us Weekly, The Hollywood Reporter, Minneapolis Star Tribune, Parade, Houston Chronicle, New York Post, Tampa Bay Times, Milwaukee Journal Sentinel, and The Daily Beast Now a 10-part TV series on EPIX, starring Patrick Dempsey, Ben Schnetzer, Damon Wayans Jr., and Virginia Madsen

The Leopard Giuseppe Tomasi Di Lampedusa, 1991-10-15 SOON TO BE A NETFLIX SERIES • “A majestic, melancholy, and beautiful novel” (The New Yorker), THE LEOPARD is one of the best-selling Italian novels of the twentieth century and

an acclaimed masterpiece of world literature. This beautiful hardcover edition, translated by Archibald Colquhoun, also includes two short stories and a brief memoir of the author's childhood. Set in Sicily in the 1860s, during the tumult of Italian unification, *THE LEOPARD* tells the spellbinding story of a decadent, fading aristocracy threatened by the approaching forces of revolution and democracy. Its author, Giuseppe Tomasi di Lampedusa, who was the last in a line of Sicilian princes, wrote the novel in the 1950s, inspired by the decline of his own family. Don Fabrizio Corbera, Prince of Salina, remains skeptical and stoic as he finds himself beset by civil war, social change, and his family's loss of wealth and status. While his beloved nephew, Tancredi, more practical and flexible than he, joins the nationalist rebels and marries the ambitious daughter of a newly rich upstart, Don Fabrizio takes refuge in his love of astronomy, gazing at the unchanging stars while the world as he has known it crumbles around him. The dramatic sweep and richness of Lampedusa's observation, his seamless intertwining of public and private worlds, and his sure grasp of human frailty imbue *THE LEOPARD* with its melancholy beauty and power. "No novel in Italian literature has aroused so much passion or caused so much argument... The book is more than the memorable invocation of a certain place in a certain epoch. It is a work of art that will survive, long after the last sad palaces of Palermo have gone, because it deals with the central problems of the human experience." —from the Introduction by David Gilmour The genius of its author and the thrill it gives the reader are probably for all time.—The New York Times Book Review A masterwork . . . A superb novel in the great tradition and the grand manner.—Newsweek Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper, with full-cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a full-color illustrated jacket. Contemporary Classics include an introduction, a select bibliography, and a chronology of the author's life and times.

Boy Swallows Universe Trent Dalton, 2018-07-01 'The best Australian novel I have read in more than a decade' Sydney Morning Herald 'Astonishing, captivating ... a wild, beautiful, heart-exploding ride' Elizabeth Gilbert The bestselling novel that has taken Australia, and the world, by storm. Winner of Book of the Year at the 2019 Indie Book Awards, winner of a record four Australian Book Industry Awards in 2019, including the prestigious Book of the Year Award, and winner of the 2019 UTS Glenda Adams Award for New Writing, NSW Premier's Literary Awards Brisbane, 1985: A lost father, a mute brother, a junkie mum, a heroin dealer for a stepfather and a notorious crim for a babysitter. It's not as if Eli Bell's life isn't complicated enough already. He's just trying to follow his heart and understand what it means to be a good man, but fate keeps throwing obstacles in his way - not the least of which is Tytus Broz, legendary Brisbane drug dealer. But now Eli's life is going to get a whole lot more serious: he's about to meet the father he doesn't remember, break into Boggo Road Gaol on Christmas Day to rescue his mum, come face to face with the criminals who tore his world apart, and fall in love with the girl of his dreams. A story of brotherhood, true love and the most unlikely of friendships, *Boy Swallows Universe* will be the most

heartbreaking, joyous and exhilarating novel you will read all year. Awards: 2019 ABIA Book of the Year Award, Winner 2019 Indie Book Award, Winner 2019 UTS Glenda Adams Award for New Writing, NSW Premier's Literary Awards, Winner 2019 People's Choice Award, NSW Premier's Literary Awards, Winner MUD Literary Prize 2019, Winner 2019 ABIA Matt Richell Award for New Writer of the Year, Winner 2019 ABIA Literary Fiction Book of the Year, Winner 2019 ABIA Audiobook of the Year, Winner 2019 Miles Franklin Literary Award, Longlisted 2019 Colin Roderick Award, shortlist Reviews: 'Boy Swallows Universe is a wonderful surprise: sharp as a drawer full of knives in terms of subject matter; unrepentantly joyous in its child's-eye view of the world; the best literary debut in a month of Sundays.' The Australian 'Boy Swallows Universe hypnotizes you with wonder, and then hammers you with heartbreak.' Washington Post 'This thrilling novel' New York Times Book Review 'Marvelously plot-rich ... filled with beautifully lyric prose ... At one point Eli wonders if he is good. The answer is yes, every bit as good as this exceptional novel.' Booklist 'Dalton's splashy, stellar debut makes the typical coming-of-age novel look bland by comparison ... This is an outstanding debut.' Publisher's Weekly (starred review) 'Extraordinary and beautiful storytelling' Guardian

Memoirs of a Geisha Arthur Golden, Michael Dean, 2008 Captivating, minutely imagined . . . a novel that refuses to stay shut (Newsweek), *Memoirs of a Geisha* is now released in a movie tie-in edition.

El Gaucho Hugo Pratt, Milo Manara, 1999-11-11

Autobiography of Giuseppe Garibaldi Giuseppe Garibaldi, 2016-04-21 *Autobiography of Giuseppe Garibaldi - Vol. II* is an unchanged, high-quality reprint of the original edition of 1889. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

The Adventures of Ellery Queen Ellery Queen, 2013-02-05 In eleven stories, the brilliant sleuth tangles with a book thief, an assassin who targets acrobats, and more . . . For Ellery Queen, there is no puzzle that reason cannot solve. In his time, he has faced down killers, thugs, and thieves, protected only by the might of his brain—and the odd bit of timely intervention by his father, a burly New York police inspector. But when a university professor asks Queen to teach a class, the detective finds there are people whom reason cannot touch: college students. Queen's adventure on campus is only the first of this incomparable collection of short mysteries. In these pages, he tangles with a violent book thief, an assassin who targets acrobats, and New York's only cleanly shaven bearded lady. Criminals everywhere fear him, whether they work in mansions or back alleys. No mystery is too difficult for the man with the golden brain.

The Whole Truth About Fatima Frere Michel De La Sainte Trinite, 2017-07-13 May 13, 1917: Three children of the hamlet

of Aljustrel, near Fatima in Portugal, tend their sheep at the Cova da Iria. Lucy, the eldest of the trio, is only ten years old, and her two cousins, Francisco and Jacinta, are nine and seven. It is hardly surprising that these cheerful and ingenuous children who were also very pious, would become the object of the predilection of the Queen of Heaven, who would appear to them six times in a row, from May 13 to October 13, to pass on to them Her Message.

The True Memoirs of Little K Adrienne Sharp, 2010-10-26 Exiled in Paris, tiny, one-hundred-year-old Mathilde Kschessinska sits down to write her memoirs before all that she believes to be true is forgotten. A lifetime ago, she was the vain, ambitious, impossibly charming prima ballerina assoluta of the tsar's Russian Imperial Ballet in St. Petersburg. Now, as she looks back on her tumultuous life, she can still recall every slight she ever suffered, every conquest she ever made. Kschessinska's riveting storytelling soon thrusts us into a world lost to time: that great intersection of the Russian court and the Russian theater. Before the revolution, Kschessinska dominated that world as the greatest dancer of her age. At seventeen, her crisp, scything technique made her a star. So did her romance with the tsarevich Nicholas Romanov, soon to be Nicholas II. It was customary for grand dukes and sons of tsars to draw their mistresses from the ranks of the ballet, but it was not customary for them to fall in love. The affair could not endure: when Nicholas ascended to the throne as tsar, he was forced to give up his mistress, and Kschessinska turned for consolation to his cousins, two grand dukes with whom she formed an infamous ménage à trois. But when Nicholas's marriage to Alexandra wavered after she produced girl after girl, he came once again to visit his Little K. As the tsar's empire—one that once made up a third of the world—began its fatal crumble, Kschessinska's devotion to the imperial family would be tested in ways she could never have foreseen. In Adrienne Sharp's magnificently imagined novel, the last days of the three-hundred-year-old Romanov empire are relived. Through Kschessinska's memories of her own triumphs and defeats, we witness the stories that changed history: the seething beginnings of revolution, the blindness of the doomed court, the end of a grand, decadent way of life that belonged to the nineteenth century. Based on fact, *The True Memoirs of Little K* is historical fiction as it's meant to be written: passionately eventful, crammed with authentic detail, and alive with emotions that resonate still.

Hegemon Steven Mosher, 2002 For centuries, China had not only the largest population, but also the most advanced economy and the strongest army on earth. It saw itself as the Hegemon, the ever-expanding central power around which the world revolved. Steven Mosher believes that China still sees itself in these terms. In *Hegemon*, Mosher shows how the quest for domination has been something like an art form in Chinese statecraft, an enduring feature on the country's mysterious face that is often hidden from the west. *Hegemon* is a masterly inquiry into the ideas at the heart of Chinese culture and history. It is also as timely as today's headlines about Chinese efforts to influence U.S. elections and steal U.S. nuclear secrets and to establish China as a global superpower. A major work of scholarship and analysis, *Hegemon* reinforces Steven Mosher's reputation as one of our most thoughtful and provocative China Watchers. Maps, index, biography.

Lostman's River Cynthia C. DeFelice, Cynthia DeFelice, 1995-10 In the early 1900s, thirteen-year-old Tyler encounters vicious hunters whose actions threaten to destroy the Everglades ecosystem, and as a result joins the battle to protect that fragile environment.

The First Team John B Lundstrom, 2005-07-01 Hailed as one of the finest examples of aviation research, this comprehensive 1984 study presents a detailed and scrupulously accurate operational history of carrier-based air warfare. From the earliest operations in the Pacific through the decisive Battle of Midway, it offers a narrative account of how ace fighter pilots like Jimmy Thach and Butch O'Hare and their skilled VF squadron mates--called the first team--amassed a remarkable combat record in the face of desperate odds. Tapping both American and Japanese sources, historian John B. Lundstrom reconstructs every significant action and places these extraordinary fighters within the context of overall carrier operations. He writes from the viewpoint of the pilots themselves, after interviewing some fifty airmen from each side, to give readers intimate details of some of the most exciting aerial engagements of the war. At the same time he assesses the role the fighter squadrons played in key actions and shows how innovations in fighter tactics and gunnery techniques were a primary reason for the reversal of American fortunes. After more than twenty years in print, the book remains the definitive account and is being published in paperback for the first time to reach an even larger audience.

That Awful Mess on the Via Merulana Carlo Emilio Gadda, 2007-02-27 In a large apartment house in central Rome, two crimes are committed within a matter of days: a burglary, in which a good deal of money and precious jewels are taken, and a murder, as a young woman whose husband is out of town is found with her throat cut. Called in to investigate, melancholy Detective Ciccio, a secret admirer of the murdered woman and a friend of her husband's, discovers that almost everyone in the apartment building is somehow involved in the case, and with each new development the mystery only deepens and broadens. Gadda's sublimely different detective story presents a scathing picture of fascist Italy while tracking the elusiveness of the truth, the impossibility of proof, and the infinite complexity of the workings of fate, showing how they come into conflict with the demands of justice and love. Italo Calvino, Pier Paolo Pasolini, and Alberto Moravia all considered That Awful Mess on the Via Merulana to be the great modern Italian novel. Unquestionably, it is a work of universal significance and protean genius: a rich social novel, a comic opera, an act of political resistance, a blazing feat of baroque wordplay, and a haunting story of life and death.

The Experience of Pain Carlo Emilio Gadda, 2017-10-26 'The seething cauldron of life, the infinite stratification of reality, the inextricable tangle of knowledge are what Gadda wants to depict' Italo Calvino Gonzalo is a highly educated man living alone with his ageing, widowed mother in a town scarred by war. He rages against the world. The doctor tells him to get out more. But his frustration starts to erupt in increasingly ferocious and unexpected ways, with disastrous consequences. Set in a fictional South American country, Carlo Emilio Gadda's intensely personal, visceral novel was written at the height of

Fascist rule in Italy, tearing apart language itself to explore the violence and chaos of the darkest of times. Translated by Richard Dixon 'His best work . . . among the most powerful passages in 20th-century Italian fiction' Tim Parks, London Review of Books

KGB Christopher M. Andrew, Oleg Gordievsky, 1991 About the worldwide operations of the KGB.

Imperial Japanese Navy Aces 1937-45 Henry Sakaida, 2012-10-20 The outcome of the Pacific War was heavily influenced by the results of naval battles between the Imperial Japanese fleet and the US Navy. One of the key elements was Japan's large fighter component, which had gained experience over Manchuria, China and Mongolia in the late 1930s. Flying A5Ms, at least 21 pilots achieved 'acedom' securing air superiority for the invaders. Manufacturer Mitsubishi derived much from these campaigns, producing one of the best fighters of the War, the A6M Zero-Sen. Navy pilots proved to be highly skilled when engaged by the Allied forces. This volume tells the story of pilots like Nishizawa, Sagita and Sakai, scoring more than 60 kills apiece.

The Castle on the Hudson Renato Cantore, 2017-07-25T00:00:00+02:00 Charles Paterno was seven when he left Castelmezzano, a small mountain town in Basilicata to set sail on one of the rattletrap ships headed to America. Thirty years later he was one of the top builders in New York City, among the first to construct the skyscrapers that would form the world's most famous skyline. Intelligence, brilliance, intuition and an ability to stay ahead of the times made him a leading figure in the life of Manhattan. He created garden communities, focused on new technologies and turned to the best architects. Paterno didn't just want to offer houses, but new lifestyles to tens of thousands of people. His first American dream looked like a white castle at the northernmost tip of Manhattan, where he lived for years with his wife and son, surrounded by a small but very loyal retinue. A friend of Giuseppe Prezzolini, he donated a library of 20,000 books, the Paterno Library, to the Casa Italiana at Columbia University. Fiorello La Guardia, the Italian-American mayor of New York City, called him a genius. Born into poverty, Paterno died a wealthy man on the green of the most exclusive country club in Westchester.
