**A Promised Land** Barack Obama, 2024-08-13 A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND PEOPLE NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Slate • Vox • The Economist • Marie Claire In the stirring first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the

watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. *A Promised Land* is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of “hope and change,” and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.

**Mrs Funnybones** Twinkle Khanna, 2017-06 Good morning, it's 6 a.m. and I am wide awake because the man of the house has decided that he needs to perform a series of complex manoeuvres that involve him balancing on his left elbow. When I fell asleep last night, there was a baby lying next to me. Her smelly diaper is still wedged on my head but aside from this rather damp clue, I can't seem to find her anywhere. I could ask my mother-in-law if she has seen the baby, but she may just tell me that I need to fast on alternate Mondays, and God will deliver the baby back to me . . . Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman-a woman who organizes dinner each evening, even as she goes to work all day, who runs her own life but has to listen to her Mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna's super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

harmony. They are over-shadowed by a much more evil community; the polluted Megatropolis, whose dirty skyscrapers block the horizon. And then one day, Wirral the Squirrel's woodland is destroyed by developers and he is thrown into the nightmare world of Megatropolis. But Wirral believes in Animalia and he joins with Froggo, a world-class amphibian balloonist, and Wilhamina, a girl squirrel, to lead the enslaved animals of the city to a new life. So begins an exciting adventure through the mean streets of Megatropolis, over the sea and through the sky. Developed out of an exceptional fusion of creative talents, this story explodes onto every page. The plot is fast, furious and funny; the illustrations are full of rich depth and colour; and the characters live on long after you have turned the final page. It will delight children of all ages and is sure to become an enduring classic. 'Young audiences will delight in the clever wordplay and smartly-drawn comic characters.' Independent

**Girls & Sex** Peggy Orenstein, 2016-03-29 NEW YORK TIMES BESTSELLER A Time Top 10 Book of the Year • A San Francisco Chronicle Book of the Year The author of the New York Times bestseller *Cinderella Ate My Daughter* offers a clear-eyed picture of the new sexual landscape girls face in the post-princess stage—high school through college—and reveals how they are negotiating it. A generation gap has emerged between parents and their girls. Even in this age of helicopter parenting, the mothers and fathers of tomorrow's women have little idea what their daughters are up to sexually or how they feel about it. Drawing on in-depth interviews with over seventy young women and a wide range of psychologists, academics, and experts, renowned journalist Peggy Orenstein goes where most others fear to tread, pulling back the curtain on the hidden truths, hard lessons, and important possibilities of girls' sex lives in the modern world. While the media has focused—often to sensational effect—on the rise of casual sex and the prevalence of rape on campus, in *Girls and Sex* Peggy Orenstein brings much more to the table. She examines the ways in which porn and all its sexual myths have seeped into young people's lives; what it means to be the “the perfect slut” and why many girls scorn virginity; the complicated terrain of hookup culture and the unfortunate realities surrounding assault. In Orenstein's hands these issues are never reduced to simplistic “truths;” rather, her powerful reporting opens up a dialogue on a potent, often silent, subtext of American life today—giving readers comprehensive and in-depth information with which to understand, and navigate, this complicated new world.
