**Flight of the Half-Moon** James S. Duey, 2014-02-08 Betty's memories are mercilessly haunting her—sometimes delightfully. Her heart thaws, simmers, then refreezes with her recollections. She's walking an emotional gangplank that she has avoided since her whale expedition in Patagonia ended in terror twenty-five years ago. Her team consisted of a beaten-down young man and two leathery gauchos bound for folklore. And there was Brian, the man she blamed for the carnage. Between the five there was only one goodbye. Betty returned to her fiancé. On her honeymoon, she discovered a book with a gruesome yet passionate etching on the cover depicting the last scene of her expedition. Only Brian could have known of it; it was probably his doing. She bought the book but could never get past the cover. She will today, and her torment will double when she discovers the saga of Patagonia is unfinished. Betty feels her very essence expanding as she recalls the marvel and majesty that preceded the end. But how far out on this gangplank is she willing to go.

The Moon in Its Flight Gilbert Sorrentino, 2012-11-15 “Gilbert Sorrentino has long been one of our most intelligent and daring writers. But he is also one of our funniest writers, given to Joycean flights of wordplay, punning, list-making, vulgarity and relentless self-commentary.”—The New York Times “Sorrentino’s ear for dialects and metaphor is perfect: his creations, however brief their presence, are vivid, and much of his writing is very funny and clever, piled with allusions.”—The Washington Post Book World Bearing his trademark balance between exquisitely detailed narration, ground-breaking form, and sharp insight into modern life, Gilbert Sorrentino’s first-ever collection of stories spans 35 years of his writing career and contains both new stories and those that expanded and transformed the landscape of American fiction when they first appeared in such magazines and anthologies as Harper’s, Esquire, and The Best American Short Stories. In these grimly comic, unsentimental tales, the always-memorable characters dive headlong into the wasteland of urban culture, seeking out banal perversions, confusing art with the art scene, mistaking lust for love, and letting petty aspirations get the best of them.

This is a world where the American dream is embodied in the moonlit cocktail hour and innocence passes at a breakneck speed, swiftly becoming a nostalgia-ridden cliché. As Sorrentino says in the title story, “art cannot rescue anybody from anything,” but his stories do offer some salvation to each of us by locating hope, humor, and beauty amidst a prevailing wind of cynical despair. Gilbert Sorrentino has published over 20 books of fiction and poetry, including the classic *Mulligan Stew* and his latest novel, *Little Casino*, which was shortlisted for the 2003 PEN/Faulkner Award. After two decades on the faculty at Stanford University, he recently returned to his native Brooklyn.

The Griffin's Flight K. J. Taylor, 2011-01-25 Although he was once chosen as a griffin's companion, Arren Cardockson was reviled, betrayed, and ultimately killed. Brought back to life by a power beyond his understanding, Arren flees for the frozen sanctuary of the North. With the man-eating griffin Skandar by his side, and an entire country hunting him, Arren has little hope of reaching the place of his ancestry and of lifting his curse. But then he comes across a wild woman who may hold the key to making his lifeless heart beat once more.

**Flying to the Moon** Michael Collins, 2011-04-01 In this entrancing account, space traveler Michael Collins recalls his early days as an Air Force test pilot, his astronaut training at NASA, and his unparalleled experiences in orbit, including the Apollo 11 mission, the first manned lunar landing. The final chapter to his autobiography, revised and updated for this edition of *Flying to the Moon*, is an exciting and convincing argument in favor of mankind's continued exploration of our universe. Several astronauts have written about their experiences, but none so well as Michael Collins...This is just the book to give the child whose parents made *Yeager* and *The Right Stuff* best sellers.-The Washington Post Book World

Where the Wild Things Bite Molly Harper, 2016-07-26 In Molly Harper's witty new paranormal romance, a rare-book expert is delivering a package to Half Moon Hollow when her plane goes down, and a sexy vampire comes to her rescue. He's clearly got ulterior motives, but does he want to date her...or devour her? Delivering a rare book to a valued customer is definitely part of mild-mannered archivist Anna Whitfield's job description. You know what isn't? Protecting her precious cargo from mid-flight theft by the very pilot who is flying her to Half-Moon Hollow...while trying to appear as unappetizing as possible to the only other passenger, a vampire. Undead bookstore owner Jane Jameson could be waiting a very long time for her book. Possibly forever. Fortunately, Anna's dashing fanged companion Finn Palmeroy helps her fend off the attack, but not before their plane crash lands in the forest hundreds of miles from civilization. Great, now she's stranded with a priceless tome and a rakish vampire whose bedtime is fast approaching. Why does everyone want this book so badly, anyway? Anna just wants to get it to Jane before Finn decides to turn her into dinner—or sweep her off her feet. Okay, the second option is

really tempting. But they're not out of the woods yet...

**Toren the Teller's Flight** Shevi Arnold,2011-12-16 Have you ever been swept away by a story? If you have, you know the magic of the storyteller--and you know that magic is real. This is seventeen-year-old Toren's magic . . . but is she brave enough to accept the power she holds? When Toren returns home, her little sister, Noa, is full of questions. Why does Toren awake only at night? What causes her almost constant pain? And above all, why, after completing her apprenticeship, has she decided not to become a wizard? To answer, Toren weaves a tale about a journey that leads her to discover the greatest source of magic in her world--herself. It is a revelation that comes at a high price. Through her darkest years, Toren finds solace and strength in the stories she tells. But her greatest tale is not yet finished. Together with Noa, she sets out on a new adventure. And in the end, she must choose. Will she continue to cling to her dream of an ordinary life, or will she dare to let her own magic shine? TOREN: THE TELLER'S TALE is an inspirational fantasy about the enchantment of literature, because in Toren's parallel world there is no greater magic than the magic of storytelling. TOREN: THE TELLER'S TALE is the first book in the Toren the Teller series.

**Flight of the Osprey** Kurt Mondloch,2005 After raising their son and daughter, Kurt and PL Mondloch decide to circumnavigate the world aboard their sloop, the Osprey. As they prepare for their voyage in San Francisco, they receive a disturbing message. Their son, on a backpacking expedition in India, has gone missing. Kurt flies to the Indian Himalayas to try and find him, sparking a major international investigation and dragging the family into a world they never imagined. Eventually an overseas phone call destroys the couple's fragile cocoon of hope--their son and his girlfriend were swept away by a monsoon-swollen river. Reeling from the death of their son, Kurt and PL must make a choice: either mourn endlessly or move on with life. The couple decides to sail around the world as a balm for their spirits and as a tribute to their late son. Over the course of almost seven years and an incredible journey of 40,000 miles, their phenomenal memories and fresh horizons help extinguish the pain and recharge their lives.

*My Flight* Lt. Col. Jesse C Wilkins,2010-12-15 With the dying rate of World War II veterans, now at 30,000 per month, I thought it would be fitting and appropriate to set forth my experiences during those years of America's greatness and the nobility of its people and its warriors. Dedicated to my wife, Jimmie, who endured much, and to my children, who desired to know. These are my recollections of events, and I will not attempt to justify to anyone or any cause my views concerning events and perceived faults of people or for lapses of my memories.

**The Air War at Sea in the Second World War** Martin W Bowman,2023-06-30 Martin Bowman's considerable experience as a military historian has spanned over forty years, during which time he has spent hundreds of hours interviewing and corresponding with numerous men and women and their relatives, in Britain, America and beyond, resulting in a wealth of material on the war at sea from World War One to the Falklands and the wars on terror. All these narratives have been woven into a highly readable and emotional outpouring of life and death in action in all his titles, as here, in World War Two, where the men of the Fleet Air Arm and the US Navy fighter (operating bomber and torpedo carrying aircraft) describe the compelling, gripping and thought-provoking narrative of the air war in the freezing Atlantic wastes to the waters of the mighty Pacific.
