10 Secrets for Success and Inner Peace Dr. Wayne W. Dyer,2016-07-19 From New York Times bestselling author Dr. Wayne W. Dyer, *10 Secrets for Success and Inner Peace* is a thought-provoking book for those of us who have chosen to consciously be on our life path. The ten secrets for success and inner peace presented here apply whether you're just embarking on your path, are nearing the end of it, or are on the path in any way. Dr. Dyer urges you to read these ten secrets with an open heart. By doing so, you'll learn to feel the peace of God that truly defines success.

Being Love Sister Shivani,Suresh Oberoi,2019 We can each radiate unconditional love. We don't even need to create it - we are love. But the flow of love is blocked in moments of hurt, blame, anger, criticism, competition or insecurity. These emotions have dominated our emotional space, and hardly enable us to feel our own love. So today, we rely on someone else to love us. This book teaches us to think right, enable self-love, feel it and extend it to other people. The central message here is that love is not 'out there', but within us. A spectrum of emotions like attachment, expectations, hurt, worry, stress, fear or anger, which we use in the pretext of love, are analysed. The conversations also explore the fact that the parent-child

relationship is not challenging – It does not need to be. As you free yourself from judgments and expectations, as you start thinking right for people, and as you accept people for who they are, you become a Radiator of unconditional love. You are one decision away from vibrating at a frequency of love ... by not needing love or giving love – but just by being love.

Awakening to the Secret Code of Your Mind Darren R. Weissman, 2011-03 What if you could, like a diamond forged through heat and pressure, transform every painful, scary, and stressful experience in your life into one that is meaningful, courageous, and inspiring? What if you were provided with the tools that allow you to tap and manifest the true power that exists within you—the power to shine? Are you ready to discover your path to peace? In this fascinating book, Dr. Darren Weissman shares ancient spiritual wisdom fused with a modern-day understanding of the mind's relationship to biology and behavior that has implications not only for your health, but for the well-being of the entire planet. You'll learn how to use The LifeLine Technique—a philosophy and technology for awakening your infinite potential for healing and wholeness—and share the experiences of scores of people whose lives have been forever changed as a result. Conscious visionaries pronounced more than 40 years ago that the road to peace is paved with the power of love. Dr. Weissman's book provides the steps you can use to learn to walk that path, and it will help you understand why it is your moral imperative to choose love over fear.

Metahuman Deepak Chopra, M.D., 2019-10-01 Is it possible to venture beyond daily living and experience heightened states of awareness? Deepak Chopra says that higher consciousness is available here and now. “Metahuman helps us harvest peak experiences so we can see our truth and mold the universe’s chaos into a form that brings light to the world.”—Dr. Mehmet Oz, attending physician, New York-Presbyterian, Columbia University New York Times bestselling author Deepak Chopra unlocks the secrets to moving beyond our present limitations to access a field of infinite possibilities. How does one do this? By becoming metahuman. To be metahuman, however, isn’t science fiction and is certainly not about being a superhero. To be metahuman means to move past the limitation constructed by the mind and enter a new state of awareness where we have deliberate and concrete access to peak experiences that can transform people’s lives from the inside out. Humans do this naturally—to a point. For centuries the great artists, scientists, writers, and many so-called ordinary people have gone beyond the everyday physical world. But if we could channel these often bewildering experiences, what would happen? Chopra argues we would wake up to experiences that would blow open your body, mind, and soul. Metahuman invites the reader to walk the path here and now. Waking up, we learn, isn’t just about mindfulness or meditation. Waking up, to become metahuman, is to expand our consciousness in all that we think, say, and do. By going beyond, we liberate ourselves from old conditioning and all the mental constructs that underlie anxiety, tension, and ego-driven demands. Waking up allows life to make sense as never before. To make this as practical as possible, Chopra ends the book with a 31-day guide to becoming metahuman. Once you wake up, he writes, life becomes transformed, because pure consciousness—which is the field of all possibilities—dawns in your life. Only then does your infinite potential become your personal reality.

Daughter Drink This Water Jaiya John, 2021-01-29 *Daughter Drink This Water* is a sacred Love song. A timeless affirmation for girls and women. Reminiscent of Khalil Gibran's *The Prophet*. Soak in this warm river of self Love, self care, healing, and freedom.

Secrets of Meditation Davidji, 2012-09-04 For thousands of years, people have tried to tap into the stillness and silence that rests within to discover their deeper selves. In *Secrets of Meditation*, davidji takes you there, demystifying the practice along the way and guiding you on an epic journey into your own consciousness. Whether you are new to meditation, a “crisis meditator”, or someone who has been meditating for years, this book will take your practice, and your life, to the next level. In this insightful book, davidji shares his own journey along his path to awakening and examines the positive impact that meditation can have on your physical health, relationships, emotional well-being, and spiritual life. As the secrets to an effortless meditation practice are revealed, you will unlock the door to your own personal journey and discover what is actually supposed to happen when you close your eyes. davidji shares the wisdom of the ages in an accessible and entertaining style —loosening rigid commandments, revealing the five greatest myths of meditation, and illuminating the most powerful rituals to weave a regular practice into your day. *Secrets of Meditation* will have you meditating in minutes and living a happier, easier, and more fulfilling life.

Mindfulness Dharma Hazari, 2017-03-31 Increase your focus and peace of mind. Reduce stress and anxiety. Do you feel like a victim of distractions? Do you long for happiness and inner peace? Are you often stressed out at work or home? If you answered YES then this book should be your next read. It will teach you practical ways of mastering your body, mind and spirit. What if I told you that you have ability to perform extraordinary feats that will be considered impossible by others? Sounds too good to be true? Don't underestimate your own powers. The secret to this has actually been uncovered more than 2000 years ago! Athletes have used it to win olympic medals, scientists for nobel prizes and monks for achieving Zen-like states. This open secret is the practice of Mindfulness. This book is a modern approach to the ancient art of mindfulness. It has been designed as a practical step-by-step guide for beginners but also has some additional insights for advanced mindfulness meditation practitioners. Here are ten things you will learn from this book. 1. What mindfulness is and how it can help you. 2. 10 Practical techniques to achieve mindfulness 3. How to become a more calm and grounded person. 4. The numerous health benefits of mindfulness meditation(vipassana). 5. How to cultivate a daily habit of mindfulness for beginners. 6. The nature of stress and anxiety and how to get rid of them. 7. What the leading research on mindfulness is pointing at. 8. How to develop self-awareness with mindfulness and self-inquiry. 9. What it feels like to have a focused mind. 10. How to boost your empathy and improve your relationships. You can have all the money in the world but if you are not content on the inside, you can never be happy. The key to mastering your inside i.e, your thoughts and emotions, is through mindfulness. It will help you control the monkey mind and develop awareness, focus, empathy and happiness. Among other

things, it will teach you How to Live in the Moment Great accomplishments have been made through the seemingly simple process of living in the present instead of the past or future. It is a state of optimal existence where you channel your undivided attention onto the task at hand. How to Find Your Focus Attention is a depleting mental resource. The secret for a laser-sharp focus is to train yourself for selective attention and eliminate distractions. How to Achieve Inner Peace and Happiness When is the last time you felt truly happy in life? Do you crave fulfilment? Are you tired of looking for external sources for pleasure? With Mindfulness, you will achieve lasting happiness. How to become Stress-Free and Anxiety-Free Are you a sensitive person? Do you experience social anxiety? Letting go of control and micro-management can do wonders for your peace of mind as well as your physical health. In the current age of social-media, youtube and internet, our attention span has dropped down heavily. It is time to break the negative patterns and create a positive loop of good behaviours and habits. So do yourself a favour and get this book NOW! Click on the Buy Now button above.

Home in Harmony Christa O'Leary,2014-11-03 We all deserve a calm, well-ordered, pleasingly designed refuge where we can relax and enjoy our families. Having had four children in a little more than five years while running a thriving design business, Christa O'Leary has become the guardian at the gate of our sanctuaries—our homes. She teaches us to be aware of the toxins found in both our food and furnishings; the detrimental effects of our unhealthy habits; and society's frantic need to have the latest gadgets, to get ahead, and to be forever on the go. As a designer, therapist, and eco-friendly expert, she's often asked how she makes her hockey-mom life and peaceful, beautiful, healthy home look so effortless. Well, the hunt for her secret is over! Christa shows us that it's possible for all of us to feel inspired, energized, and in love with our lives and our homes. There are other books that address some of the components found in Home in Harmony, including design, color, feng shui, psychology, clean eating, detoxification, meditation, and finding our soul's purpose. However, this is the first book that puts it all together in a fun-to-read, easy-to-implement format. This is the formula for living an extraordinary life, and it's now available to everyone!

Resilient Rick Hanson, PhD,Forrest Hanson,2020-02-04 These days it's hard to count on the world outside. So it's vital

to grow strengths inside like grit, gratitude, and compassion—the key to resilience, and to lasting well-being in a changing world. True resilience is much more than enduring terrible conditions. We need resilience every day to raise a family, work at a job, cope with stress, deal with health problems, navigate issues with others, heal from old pain, and simply keep on going. With his trademark blend of neuroscience, mindfulness, and positive psychology, New York Times bestselling author Dr. Rick Hanson shows you how to develop twelve vital inner strengths hardwired into your own nervous system. Then no matter what life throws at you, you'll be able to feel less stressed, pursue opportunities with confidence, and stay calm and centered in the face of adversity. This practical guide is full of concrete suggestions, experiential practices, personal examples, and insights into the brain. It includes effective ways to interact with others and to repair and deepen important relationships. Warm, encouraging, and down-to-earth, Dr. Hanson's step-by-step approach is grounded in the science of positive neuroplasticity. He explains how to overcome the brain's negativity bias, release painful thoughts and feelings, and replace them with self-compassion, self-worth, joy, and inner peace.

The Secrets to Staying Young Emma Stewart,2024-09-17 Healthy eating is a fundamental aspect of maintaining overall well-being and vitality, especially in the context of youth development. The food choices individuals make during their formative years can have a profound impact on their physical health, cognitive function, and emotional well-being. Nutrient Intake: Consuming a balanced diet rich in essential nutrients such as vitamins, minerals, proteins, and carbohydrates is crucial for supporting growth and development in young individuals. These nutrients play key roles in building strong bones, boosting immunity, and providing energy for daily activities. Cognitive Function: Research has shown that certain foods can enhance cognitive function and support brain health. Omega-3 fatty acids found in fish, nuts, and seeds are known to improve memory and concentration, while antioxidants in fruits and vegetables protect brain cells from damage. Emotional Well-being: The connection between diet and mental health is increasingly recognized, with studies linking poor dietary habits to an increased risk of depression and anxiety. Eating a variety of nutrient-dense foods can help stabilize mood and promote emotional resilience. By emphasizing the importance of healthy eating habits early on, young individuals can establish a strong foundation for lifelong wellness. Encouraging the consumption of whole foods such as fruits, vegetables, whole grains, lean proteins, and healthy fats can instill positive dietary patterns that carry over into adulthood. In addition to physical health benefits, promoting healthy eating among youth can also foster a positive relationship with food and body image. By teaching young individuals about the value of nourishing their bodies with wholesome foods, they can develop a sense of empowerment and self-care that transcends mere nutrition.
