## United Church of God

**Jesus Christ** Ave Maria Press,2017-04-13 Jesus Christ: His Mission and Ministry's objectives include sharing what Christ reveals about God, uncovering the mystery of the Incarnation, and exploring how growing in discipleship with Jesus helps students live a better life.

**The Christ: His Miracles His Ministry His Mission** Carroll Roberson,2005-01-01 He was either loved or hated by those with whom He came into contact; rarely did He leave anyone with a feeling of indifference toward Him. The authorities of His day finally renounced Him as a fake, but The Christ leaves no doubt that Jesus was indeed the Messiah, the Lamb of God which taketh away the sin of the world. The Christ has many wonderful features: Organized chronologically by key events in the life of Christ Fulfillments of Old Testament prophecies are indicated Spiritual application of each event is shown Key words from the original languages are explained Includes complete Scripture references Includes CD of original songs about the Messiah and the Holy Land by Carroll Roberson Can be used as a reference book, devotional, Bible study, or individual inspiration Author Carroll Roberson uses his vast knowledge of the Holy Land, the Scriptures, and the Hebrew language to teach about The Christ in the context of the political, geographical, and spiritual climate in which He lived.

*Joining Jesus on His Mission* Greg Finke,2014-01-20 Joining Jesus on His Mission will alter the way you see your life as a follower of Jesus and take you beyond living your life for Jesus to living life with Jesus. Simple, powerful and applicable insights show you how to be on mission and recognize where Jesus is already at work in your neighborhoods, workplaces and schools. You will feel both relief and hope. You may even hear yourself say, I can do this as you start responding to the everyday opportunities Jesus is placing in your path.

**Keep in Step with the Spirit (second edition)** J I Packer,2020-05-21 Since we live by the Spirit, let us keep in step with the Spirit (Galatians 5:25). The Holy Spirit empowers us, guides us, and enables us to grow and endure in our relationship with the Father through Jesus Christ. Often the most misunderstood member of the Trinity, the person of the Spirit continues to attract attention today amidst church revivals and renewals. In this new edition of his classic Keep in Step with the Spirit, J. I. Packer seeks to help Christians reaffirm the biblical call to holiness and the Spirit's role in keeping our covenant with God. Packer guides us through the riches and depth of the Spirit's work, assesses versions of holiness and the charismatic life, and shows how Christ must always be at the centre of true Spirit-led ministry. A new chapter explores

Christian assurance. With abiding relevance and significance, *Keep in Step with the Spirit* sets forth vital knowledge for healthy and joyous Christian living, through understanding and experience of God the Holy Spirit. Here is a book for every serious believer to read and re-read.

**The Mission of God** Christopher J. H. Wright, 2013-01-30 Most Christians would agree that the Bible provides a basis for mission. But Christopher Wright boldly maintains that mission is bigger than that--there is in fact a missional basis for the Bible! The entire Bible is generated by and is all about God's mission. He provides a missional hermeneutic in response to this claim.

*How Did God Do It?* Walt Huber, Rose Huber, 2013-12 Have you ever wondered... How Did God Do It? How did God perform the many miracles and supernatural events described in the Holy Bible — without violating the laws of physics and chemistry that He Himself put into place? And without conflicting with the basic tenets of Judaism and Christianity? This book proposes a theory that marries faith and rationality in a symphony of science and scripture.

The Promised One (A 10-week Bible Study) Nancy Guthrie, 2011-07-07 This first volume in the Seeing Jesus in the Old Testament Bible study series guides women through a Christ-centered study of Genesis. The Promised One provides a fresh look at the book of Genesis, leading women in discovering how its stories, symbols, people, and promises point to Christ. Over ten weeks of study, participants will see Christ as the agent of creation, the offspring who will crush the head of the serpent, the ark of salvation, the source of the righteousness credited to Abraham, the substitutionary sacrifice provided by God, the Savior to whom the whole world must come for life, and much more. Each weekly lesson includes questions for personal study, a contemporary teaching chapter that emphasizes how the passage fits into the bigger story of redemptive history, a brief section on how the passage uniquely points to what is yet to come at the consummation of Christ's kingdom, and a leader's guide for group discussion. A ten-session DVD companion set is also available.

*Gospel Principles* The Church of Jesus Christ of Latter-Day Saints, 1997 A Study Guide and a Teacher's Manual *Gospel Principles* was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

*The Church Jesus Built* United Church of God, 2014-02-03 Jesus Christ said that He would build His Church and that it would never die out. Is today's Christianity, with its hundreds of denominations with widely differing beliefs and practices, the Church Jesus promised that He would build? -- Inside this Bible study aid booklet: -- A People Special to God -- The Historical Background of the Term Church -- 'Church' and 'Congregation' in the Scriptures -- A Spiritually Transformed People -- The Apostles: A Case Study in Conversion -- The Responsibility and Mission of the Church -- What is the True

Gospel? -- Is Today the Only Day of Salvation? -- The Rise of a Counterfeit Christianity -- Changes in Christian Scholars' Perspective on God's Law -- Early Trends That Affected the Future of the Church -- The Church of God Today -- What Did the Early Church Believe and Practice? -- The Church as the Bride of Christ

*Keeping Your Children's Ministry on Mission* Jared Kennedy, 2022-02-23 Practical Strategies for Gospel-Centered Children's Ministry When building a children's ministry at a church, there is so much to consider: Which curriculum should we use? How many volunteers do we need? How do we keep parents in the loop? And that's before we run into stalled check-in computers, missing activity sheets, and floors that need to be vacuumed. While all of the tasks of children's ministry are important, leaders can get easily distracted with the everyday work of doing ministry and lose sight of the main focus—the gospel. Writing from personal ministry experience, Jared Kennedy shares a four-fold approach for gospel-centered, missional children's ministry: hospitality, teaching, discipleship, and mission. This practical resource covers a variety of topics ranging from creating child protection policies to putting together lesson plans to catechism, helpful for children's ministers and volunteers alike as they disciple children with the powerful message of the gospel. Applicable: Includes questions for reflection and evaluation Helps Leaders Disciple the Next Generation: Features advice for sending kids and their families on mission Ideal for Nursery–5th Grade Teachers and Leaders: A practical and helpful resource for children's ministries Published in Conjunction with the Gospel Coalition (TGC)

Jesus the Christ James E. Talmage, 2018-01-28 Reproduction of the original.

*When Christians Were Jews* Paula Fredriksen, 2018-10-23 A compelling account of Christianity's Jewish beginnings, from one of the world's leading scholars of ancient religion How did a group of charismatic, apocalyptic Jewish missionaries, working to prepare their world for the impending realization of God's promises to Israel, end up inaugurating a movement that would grow into the gentile church? Committed to Jesus's prophecy—"The Kingdom of God is at hand!"—they were, in their own eyes, history's last generation. But in history's eyes, they became the first Christians. In this electrifying social and intellectual history, Paula Fredriksen answers this question by reconstructing the life of the earliest Jerusalem community. As her account arcs from this group's hopeful celebration of Passover with Jesus, through their bitter controversies that fragmented the movement's midcentury missions, to the city's fiery end in the Roman destruction of Jerusalem, she brings this vibrant apostolic community to life. Fredriksen offers a vivid portrait both of this temple-centered messianic movement and of the bedrock convictions that animated and sustained it.

**Letter to His Son** Mara Bar Sarapion, 2014-12 This first monograph-length treatment of the Syriac Letter of the Stoic Mara bar Sarapion of Samosata to his son contains a critically edited text, English and German translations, and notes on language, syntax, cultural background, and parallels from ancient literature, along with an introduction and essays on central questions of interpretation. These include the letter's linguistic position within Aramaic literature and the form-critical

location of the text within the genre of Hellenistic epistolography. The most probable historical context is identified as the Roman-Commagenean war (72 CE). The mention of the wise king of the Jews in a series of paradigmatic philosophical figures occasions a discussion of the relationship of this cultured citizen of Commagene to Judaism and early Christianity. Mara's lucid argumentation is located within the philosophical discourse of the imperial era.

**Introducing Paul** Michael F. Bird,2014-06-18 Michael F. Bird suggests that if the Paul we claim to know looks and sounds a lot like us, it's probably a sign that we don't know him as well as we think. In this book Bird offers an animated and penetrating survey of Paul's life and teaching, including the principal issues and themes in Paul's theology.

*The Jefferson Bible* Thomas Jefferson,2012-03-02 Jefferson regarded Jesus as a moral guide rather than a divinity. In his unique interpretation of the Bible, he highlights Christ's ethical teachings, discarding the scriptures' supernatural elements, to reflect the deist view of religion.

**Jesus Christ** Michael Pennock,2011 (© 2011) The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found that this catechetical high school text is in conformity with the Catechism of the Catholic Church and fulfills the requirements of Core Course III of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age.The Paschal Mystery of Christ's Cross and Resurrection is the pinnacle of God's redemptive plan for his people. In *Jesus Christ: Source of Our Salvation*, students delve deeply into the saving actions of the Lord. This text unpacks the meaning of God's sacred and mysterious plan from creation, onward to the consequences of the fall and the promise of a Savior, while ultimately focusing on the Life, Passion, Death, and Resurrection of Jesus Christ.

**Jesus Christ: The Real Story** United Church of God,2018-01-02 The story of Jesus Christ goes much deeper than His crucifixion and resurrection. Few will dispute that a man named Jesus Christ lived 2,000 years ago and that He was a great teacher who impacted the world. Christ made a controversial claim—that He was the very Son of God, the long-prophesied Messiah—causing religious authorities in Jerusalem to reject Him, hate Him and eventually succeeded in having Him put to death. Likewise, the local Roman civil authorities also saw Him as a threat and became complicit in His execution. The religions of His day, both Judaism and paganism, opposed the growth of His teachings and used unlawful and violent means

to try to destroy the Church He founded. The government of Rome also came to vigorously persecute the followers of this Jewish teacher from Galilee. Today, there is much confusion and questions concerning this controversial figure. Where can you go for the answers? The Bible. This Bible Study aid booklet, Jesus Christ: The Real Story will help explain what is written in the Bible about Jesus Christ. You can discover the answers to these questions and more: Who was Jesus Christ of Nazareth? Where did He come from? When was Jesus Christ born? What did Jesus teach? Was He God in the flesh? What did Jesus look like? Was He only a man? Why did He die? Discover the true, fascinating story that so few understand. The story of the greatest Man who ever lived and the misunderstood message He preached—the gospel (good news) of the coming Kingdom of God! Inside this Bible Study Aid ebook: Perhaps the boldest claim Jesus made about His identity was the statement, “Most assuredly, I say to you, before Abraham was, I AM” (John:8:58)...What was going on here? Jesus was revealing His identity as the actual One whom the Jews knew as God in the Old Testament. The New Testament writers cite messianic prophecies from the Old Testament more than 130 times. By some estimates the Old Testament contains 300 prophetic passages that describe who the Messiah is and what He will do. Of these, 60 are major prophecies. What are the chances of these prophecies being fulfilled in one person? A careful analysis of Scripture, however, clearly indicates that December 25 is an unlikely date for Christ's birth. Here are two primary reasons... How can we fit “three days and three nights” between a Friday-afternoon crucifixion and a Sunday-morning resurrection?

Sojourners and Strangers Gregg R. Allison, 2012-11-30 What is a church? This can be a difficult question to answer and Christians have offered a variety of perspectives. Gregg Allison thus explores and synthesizes all that Scripture affirms about the new covenant people of God, capturing a full picture of the biblical church. He covers the topics of the church's identity

and characteristics; its growth through purity, unity, and discipline; its offices and leadership structures; its ordinances of baptism and the Lord's Supper; and its ministries. Here is a rich approach to ecclesiology consisting of sustained doctrinal reflection and wise, practical application. Part of the Foundations of Evangelical Theology series.

Mission in the New Testament William J. Larkin, Joel F. Williams, 1998 This book presents a comprehensive articulation of New Testament teachings on mission from a contemporary American evangelical standpoint. Mission in the New Testament contributes a fresh statement of the biblical foundations of mission, serving as a catalyst for completion of the church's universal mission in this generation. After investigating the historical background of the idea of mission in the Hebrew Scriptures, inter-testamental Judaism, the life of Jesus and the beginnings of the church, the book proceeds in a roughly canonical order through the New Testament. Essays analyze the works of Paul, the Synoptic gospels, Acts of the Apostles, the General Epistles, and the Book of Revelation. Well-versed in the historical-critical method of biblical interpretation, editors and contributors alike offer a cogent argument for recovering the missional horizon of the New Testament.
