Witness (Scholastic Gold) Karen Hesse, 2013-03-01 Newbery Medalist Karen Hesse immerses readers in a small Vermont town in 1924 with this haunting and harrowing tale. Leanora Sutter. Esther Hirsh. Merlin Van Tornhout. Johnny Reeves . . . These characters are among the unforgettable cast inhabiting a small Vermont town in 1924. A town that turns against its own when the Ku Klux Klan moves in. No one is safe, especially the two youngest, twelve-year-old Leanora, an African-American girl, and six-year-old Esther, who is Jewish. In this story of a community on the brink of disaster, told through the haunting and impassioned voices of its inhabitants, Newbery Award winner Karen Hesse takes readers into the hearts and minds of those who bear witness.

Witness Ariel Burger, 2018-11-13 In the vein of Tuesdays with Morrie, a devoted student and friend of Holocaust survivor and Nobel Peace Prize recipient Elie Wiesel invites readers to witness one of the world's greatest thinkers in his own classroom in this instructive and deeply moving read, a National Jewish Book Award-winner. The world remembers Elie Wiesel (1928-2016) as a Nobel laureate, activist, and author of more than forty books, including Oprah's Book Club selection *Night*. Ariel Burger met Wiesel when he was a teenage student, eager to learn Wiesel's life lessons. *Witness* chronicles the intimate conversations between these two men as Burger sought Wiesel's counsel on matters of intellect, faith, and survival while navigating his own personal journey from boyhood to manhood, from student and assistant to rabbi and teacher. In this thought-provoking account, Burger brings the spirit of Wiesel's classroom to life, where the art of storytelling and the act of listening conspire to make witnesses of us all—as it does for readers of this inspiring book as well.

Living Witness Jane Haddam, 2010-02-02 Gregor Demarkian investigates the murders of several local women who had filed a lawsuit against the town school board for including the theory of Intelligent Design in the school curriculum.

Undivided Witness David Greenlee, Mark Galpin, Paul Bendor-Samuel, 2021-08-10 *Undivided Witness* presents ten key principles linking community development and the emergence of vibrant communities of Jesus followers among the 'least reached'. Twelve practitioners explore this uncharted missiological space, drawing on decades of serving and learning among communities in Africa, the Middle East, Europe, and South, Central and Southeast Asia. _

The Witness Nora Roberts, 2023-11-07 In her stunning 200th novel, #1 New York Times bestselling author Nora Roberts proves why no one is better “when it comes to flawlessly fusing high-stakes suspense with red-hot romance (Booklist, starred

review). Daughter of a cold, controlling mother and an anonymous donor, studious, obedient Elizabeth Fitch finally let loose one night, drinking too much at a nightclub and allowing a strange man's seductive Russian accent to lure her to a house on Lake Shore Drive. Twelve years later, the woman now known as Abigail Lowery lives alone on the outskirts of a small town in the Ozarks. A freelance security systems designer, her own protection is supplemented by a fierce dog and an assortment of firearms. She keeps to herself, saying little, revealing nothing. Unfortunately, that seems to be the quickest way to get attention in a tiny southern town. The mystery of Abigail Lowery and her sharp mind, secretive nature and unromantic viewpoint intrigues local police chief Brooks Gleason, on both a personal and professional level. And while he suspects that Abigail needs protection from something, Gleason is accustomed to two-bit troublemakers, not the powerful and dangerous men who are about to have him in their sights. And Abigail Lowery, who has built a life based on security and self-control, is at risk of losing both.

MATERIAL WITNESS Susan Schuppli, 2020-02-25 The evidential role of matter—when media records trace evidence of violence—explored through a series of cases drawn from Kosovo, Japan, Vietnam, and elsewhere. In this book, Susan Schuppli introduces a new operative concept: material witness, an exploration of the evidential role of matter as both registering external events and exposing the practices and procedures that enable matter to bear witness. Organized in the format of a trial, *Material Witness* moves through a series of cases that provide insight into the ways in which materials become contested agents of dispute around which stake holders gather. These cases include an extraordinary videotape documenting the massacre at Izbica, Kosovo, used as war crimes evidence against Slobodan Milošević; the telephonic transmission of an iconic photograph of a South Vietnamese girl fleeing an accidental napalm attack; radioactive contamination discovered in Canada's coastal waters five years after the accident at Fukushima Daiichi; and the ecological media or “disaster film” produced by the Deep Water Horizon oil spill in the Gulf of Mexico. Each highlights the degree to which a rearrangement of matter exposes the contingency of witnessing, raising questions about what can be known in relationship to that which is seen or sensed, about who or what is able to bestow meaning onto things, and about whose stories will be heeded or dismissed. An artist-researcher, Schuppli offers an analysis that merges her creative sensibility with a forensic imagination rich in technical detail. Her goal is to relink the material world and its affordances with the aesthetic, the juridical, and the political.

Baring Witness Holly Welker, 2016-08-15 In *Baring Witness*, Holly Welker and thirty-six Mormon women write about devotion and love and luck, about the wonder of discovery, and about the journeys, both thorny and magical, to humor, grace, and contentment. They speak to a diversity of life experiences: what happens when one partner rejects Church teachings; marrying outside one's faith; the pain of divorce and widowhood; the horrors of spousal abuse; the hard journey from visions of an idealized marriage to the everyday truth; sexuality within Mormon marriage; how the pressure to find a

husband shapes young women's actions and sense of self; and the ways Mormon belief and culture can influence second marriages and same-sex unions. The result is an unflinching look at the earthly realities of an institution central to Mormon life.

I, Witness Norah McClintock, 2012-10-01 In a dark back alley, Boone and Andre witness a violent murder, and agree not to mention it. But the killers have different ideas and come after Boone and his friends, killing two of them. Boone is desperate to save himself but realizes to do so he will need to face the violent act in his past that continues to haunt him. Told in Norah McClintock's trademark suspenseful style and with spare black-and-white illustrations from Mike Deas, this compelling graphic novel looks into the darkness and forces us to face our deepest fears.

The Fifth Witness Michael Connelly, 2011-04-05 In this #1 New York Times bestselling thriller, after taking on a foreclosure case, defense attorney Mickey Haller fights to prove his client's innocence—but first he must follow a trail of black market evidence to its sinister end. Mickey Haller has fallen on tough times. He expands his business into foreclosure defense, only to see one of his clients accused of killing the banker she blames for trying to take away her home. Mickey puts his team into high gear to exonerate Lisa Trammel, even though the evidence and his own suspicions tell him his client is guilty. Soon after he learns that the victim had black market dealings of his own, Haller is assaulted, too -- and he's certain he's on the right trail. Despite the danger and uncertainty, Haller mounts the best defense of his career in a trial where the last surprise comes after the verdict is in. Connelly proves again why he may very well be the best novelist working in the United States today (San Francisco Chronicle).

Anthropological Witness Alexander Laban Hinton, 2022-10-15 *Anthropological Witness* tells the story of Alexander Laban Hinton's encounter with an accused architect of genocide and, more broadly, Hinton's attempt to navigate the promises and perils of expert testimony. In March 2016, Hinton served as an expert witness at the Extraordinary Chambers in the Courts of Cambodia, an international tribunal established to try senior Khmer Rouge leaders for crimes committed during the 1975-79 Cambodian genocide. His testimony culminated in a direct exchange with Pol Pot's notorious right-hand man, Nuon Chea, who was engaged in genocide denial. *Anthropological Witness* looks at big questions about the ethical imperatives and epistemological assumptions involved in explanation and the role of the public scholar in addressing issues relating to truth, justice, social repair, and genocide. Hinton asks: Can scholars who serve as expert witnesses effectively contribute to international atrocity crimes tribunals where the focus is on legal guilt as opposed to academic explanation? What does the answer to this question say more generally about academia and the public sphere? At a time when the world faces a multitude of challenges, the answers Hinton provides to such questions about public scholarship are urgent.

Witness Susan Hiller, 2000 A pocket atlas of Suffolk, giving comprehensive and detailed coverage of the region. The

mapping is produced by the Ordnance Survey to Philip's specification and gives the user complete coverage of all urban and rural areas. The mapping is at a standard scale of 2.5 inches to one mile and is complete with postcode boundaries.

The Witness Sandra Brown,1995-07-05 After stumbling upon a chilling small-town secret in South Carolina, a determined public defender must protect herself -- and her young son -- from those who want them dead. Kendall Deaton pulls herself and her baby out of a wrecked car, and a mixture of courage and fear gets her to the top of a ravine, where she flags down help. But she doesn't dare reveal her true identity to the authorities. Instead, she plans her immediate escape, and her perilous flight begins. Kendall, the best public defender in Prosper, South Carolina, has stumbled upon a chilling town secret, turning her marriage to one of Prosper's most powerful men into a living hell. Now Kendall is a terrified mother trying to save her child's life, a reluctant witness who knows too much about an insidious evil . . . and a woman surrounded by forces that will stop at nothing to protect what is theirs.

The Witness Wanda Draper Ph. D.,2022-11-16 THE WITNESS BRINGS A NEW DIMENSION TO THE GENRE OF TRUE CRIME LITERATURE, PIECING TOGETHER SHARDS OF PERSONAL CIRCUMSTANCES AND CRITICAL LIFE EVENTS, SO OFTEN SWEEPED UNDER THE RUG OF FAMILY SHAME OR NEGLECT, REVEALING HOW THE PAST CASTS A GRAVE SHADOW OVER ONE'S FUTURE. CSI has long since rolled up the tape but the investigation isn't over. Detectives cool their heels from pounding the pavement but, the interviews have just started. The suspects - charged and booked - are left to contemplate their fate. The key to their future lies in the past; while the crime is solved, one question remains: WHAT IS JUSTICE?

Angels in Islam Stephen Burge,2015-12-22 Angels are a basic tenet of belief in Islam, appearing in various types and genres of text, from eschatology to law and theology to devotional material. This book presents the first comprehensive study of angels in Islam, through an analysis of a collection of traditions (hadīth) compiled by the 15th century polymath Jalāl al-Dīn al-Suyūṭī (d. 911/1505). With a focus on the principal angels in Islam, the author provides an analysis and critical translation of hadīth included in al-Suyūṭī's al-Haba'ik fi akhbar al-mala'ik ('The Arrangement of the Traditions about Angels') - many of which are translated into English for the first time. The book discusses the issues that the hadīth raise, exploring why angels are named in particular ways; how angels are described and portrayed in the hadīth; the ways in which angels interact with humans; and the theological controversies which feature angels. From this it is possible to place al-Suyūṭī's collection in its

religious and historical milieu, building on the study of angels in Judaism and Christianity to explore aspects of comparative religious beliefs about angels as well as relating Muslim beliefs about angels to wider debates in Islamic Studies. Broadening the study of Islamic angelology and providing a significant amount of newly translated primary source material, this book will be of great interest to scholars of Islam, divinity, and comparative religion.
