The Supreme Yoga Swami Venkatesananda, 2005 The Supreme Yoga (2 Vols) by Swami Venkatesananda Published by Motilal Banarsidass, Delhi ([www.mlbd.co.in](http://www.mlbd.co.in), [info@mlbd.co.in](mailto:info@mlbd.co.in)) About the Book The Yoga Vasistha is a unique work of Indian philosophy and is highly respected for its practical mysticism. These teachings of Sage Vasistha imparted to Lord Rama, contain the true understanding about the creation of the world. The supreme Yoga with Romanised text is a translation into English of this complete work and is accompanied by brief expositions by Swami Venkatesananda. This book brings this storehouse of wisdom to our world and makes the philosophy comprehensible to scholars and common people alike. It is this philosophy of a comprehensive spirituality, rational and practical, that man in the modern age needs to rescue himself from his stagnation of worldliness and put him on the high road of creative living and fulfilment. Soak into the message of each verse and discover the numerous ways in which this truth is revealed to help open your mind. We have a firm hope that this well-known, towering teaching will provide to everyone the requisite inspiration and solace.

**The Supreme Yoga**, 2003 The Yoga Vasistha has been a favourite book of spiritual seekers in India these several centuries. Its special appeal lies in its thoroughly rational approach, and in its presentation of Vedanta as a philosophy to bridge the gulf between the secular and the sacred, action and contemplation, in human life, through a comprehensive and lofty spirituality. This monumental scripture is the greatest help to the spiritual awakening and the direct experience of the Truth. This is certain. If this is what you want, you are welcome to the Yoga Vasistha. An oft-recurring expression in this scripture is kakataliya'-a crow alights on the coconut palm tree and at that very moment a ripe coconut falls. The two unrelated events thus seem to be related in time and space, though there is no causal relationship. Such is life. Such is 'creation'. But the mind caught up in its own trap of logic questions why, invents a 'why' and a 'wherefore' to satisfy itself, conveniently ignoring the inconvenient questions that still haunt an intelligent mind. Vasistha demands direct observation of the mind, its motion, its notions, its reasoning, the assumed cause and the projected result, and even the observer, the observed and the observation-and the realisation of their indivisible unity as the infinite consciousness.

**Vasistha's Yoga** Swami Venkatesananda, 1993-01-01 This is Swami Venkatesananda's longer Yoga Vasistha. His two volume book is here offered between two covers. Its purpose is to provide a means to eliminate psychological conditioning and to attain liberation. Containing the instructions of the sage Vasistha to Lord Rama, this scripture is full of intricately

woven tales, the kind a great teacher might tell to hold the interest of a student.

*The Wisdom of Vasiṣṭha* Raghunandan, 2018 Yogavasistha or Yogavasistha Maharamayana has been a guide book to earnest Sadhakas, all over the country. The popularity of this book appears to be due to the fact, that it is a happy combination of terse Upanisadic thought clothed in the story form. A scripture becomes relevant, when it gives the truths of the Upanisads, using a common man's language with illustrative stories, helps a beginner as well as an advanced seeker. It is believed by some that Sage Valmiki wrote the Ramayana for the purification of mind and to create a mood of seeking in the society. It is well known, that the story of Sri Rama, gives an exemplary ethical and moral behaviour in an individual, and a glimpse into the ideal culture, through the description of Ayodhya. For only on a strong ethical and moral foundation can one hope to build the super-structure of spirituality. Attempt has been made to cover all the stories in six Prakaranas. This book is a study by a seeker, and an attempt to present the philosophy, and practical hints contained in the book, to fellow seekers who are not very familiar with Sanskrit. It is essentially meant for inspiring the seekers to take up the study of the original text, which is a mine of practical wisdom. The essays contained herein, are glimpses into the meditations on the golden verses and their connection and relevance in our day-to-day life. Consequently, the interpretation and the perspective is not really meant for scholastic pursuits.

**Bhakti Yoga** Swāmi Vivekānanda, 2022-12-19 Le Bhakti Yoga, ou la voie de la dévotion, repose sur la doctrine suivante : « L'Amour est Dieu et Dieu est Amour ». Le yogi qui pratique la Bhakti fait l'expérience de la séparation et languit à l'idée de rencontrer ou même de simplement apercevoir sa Bien-Aimée. Rien d'autre ne l'attire, rien d'autre ne retient son attention, tout le reste est dénué de sens. Le Bhakti Yoga plaît particulièrement à ceux qui sont sensibles de nature. Le yogi qui pratique la Bhakti trouve sa motivation principale dans le pouvoir de l'amour et voit Dieu comme l'incarnation de l'amour. À travers la prière, l'adoration et les rituels, il se livre à Dieu, canalisant et transformant ses émotions en un amour et une dévotion inconditionnelle. Scander ou chanter les louanges de Dieu fait partie intégrante du Bhakti Yoga. Selon Swami Vivekananda, le Bhakti Yoga est la voie la plus directe et la plus courte pour vivre l'expérience du divin. Il n'y a rien de plus noble que l'amour, et le Bhakti Yoga, est la religion de l'amour.

*Yogic Flying According to Yoga Vasishtha* Peter F. Freund, 2018-12-10 Vasishtha teaches the young boy Rama, the future king of Ayodhya, through stories. Here is the story where Vasishtha explains Yogic Flying. In this true story from the ancient past, King Shikhidhvaja and Queen Chudala are a perfect couple, deeply in love, enjoying the comforts and diversions of royal life together. As they get older and realize that life is fleeting, they turn to meditation. Queen Chudala has great success and gains enlightenment, a state of complete inner and outer fulfillment. But she is unable to convince her husband of the worth of her accomplishment. So she learns Yogic Flying in order to be able to demonstrate her mastery of natural law to her husband. At this point, Rama wants to know what this Yogic Flying is. Vasishtha launches into a 220 verse exposition of the mechanics of Yogic Flying, its stages of development, and its purpose: This is the most comprehensive description of Yogic Flying available in the Vedic Literature. Vasishtha devotes one chapter to explaining the theory and practice of Yogic Flying, and then three chapters on the three stages of Yogic Flying. The first stage is lifting off the ground in short hops; the second stage is marked when the flyer remains in the air, floating; and the third stage is demonstrated by the ability to fly anywhere at will. Special attention is given to the liftoff. The moment of liftoff demonstrates supreme mind-body coordination and gives a glimpse into the world of mastery of total natural law. Even the rank beginners in the practice of Yogic Flying, lifting off the ground in short hops, can have a dramatic influence on the collective consciousness of the whole society, Vasishtha says. In the context of explaining Yogic Flying, Vasishtha teaches Rama the whole story of health and disease. The cause of all disease, Vasishtha explains, is restricted awareness, the inability to grasp the total picture of reality. The cure for this mistake of the intellect, the cure for this ignorant perception of reality according to Vasishtha, is the experience of the total potential of natural law at the moment of liftoff in Yogic Flying. Thus Yogic Flying according to the Yoga Vasishtha is the supreme technology for creating perfect health. These chapters, called Yogasara in the literature, contain the essence of the knowledge of Yoga. This is the core teaching of Yoga in the Yoga Vasishtha.

Sikh Identity Opinderjit Kaur Takhar, 2016-12-05 It is commonly assumed that all Sikhs are the same, but the very

existence of different groups who have varying beliefs and practices within the Sikh community shows that a corporate identity for the Sikh community is not possible and serves to alienate a substantial proportion of Sikhs from the overall fold of the Sikh faith. Introducing the beliefs and practices of a range of individual Sikh groups, this book addresses the issue of Sikh identity across the Sikh community as a whole but from the viewpoint of different types of Sikh. Examining the historical development of Sikhism from the period of Guru Nanak to the present day, the author takes an in-depth look at five groups in the Sikh community - the Guru Nanak Nishkam Sewak Jatha; the Namdharis; the Ravidasis; the Valmikis; and the Sikh Dharma of the Western hemisphere (associated with the Healthy, Happy, Holy Organization - 3HO). Their history, beliefs and practices are explored, as well as their diverse and shared identities. Concluding that there is no authoritative yardstick with which to assess the issue of Sikh identity, the author highlights Sikhism's links to its Hindu past and suggests a federal Sikh identity with one or two fundamental beliefs at the core and individual groups left to express their own unique beliefs and practices.

**Arya Dharma** Dhyan Appachu Bollachettira, 2020-06-25 A publication on the Arya Dharma (Noble Dharma) - A better way by a unique combination of our heritage, spirituality and current affairs by going back to the future and restoring the glory of Bharat (India) by returning to its ideals of Dharma and Seva. My book applies not only to Bharat, but to the entire world. Reader reviews regarding my book is given here : <https://aryadharma.world/index/feedback-from-readers/>. Bharata has the greatest history, heritage and culture ever possessed by any civilization in the history of the Universe. It is a real shame of what we have become today because we blindly try to ape and emulate the fraud FUKUS (France, UK, USA) systems of "casino capitalism" and "paid democracy" which are totally unsuitable not only to us, but to any country on this planet, and especially harmful to Nature, the supreme embodiment of Brahman (God). It really makes you wonder about the state of this world, when the priceless Amazon rain forest is valued at only \$20 million, and the Amazon online shopping website is valued at almost a trillion dollars. It really makes you wonder about the state of this world, when the top 1% possesses more than 47% percent of the global wealth, while the bottom half still worries about scrounging for their next meal. If Bharat must have any hope of restoring its past glory, it must abandon the fraud FUKUS systems which place only money and self-interest as their guiding principle, and return to Dharma and SEVA (Selfless Sacrifice) which were our eternal guiding principles that were laid down ever since Ram Rajya. Dharma and SEVA were the guiding principles of the Golden Era of Bharat, when we surpassed even the Roman, Greek and Persian empires and even made a world conqueror like Alexander retreat in fearful haste without even daring to fight us. If the systems mentioned in this publication are

adopted in the world, it would surely lead to a Utopian Society where there is no king, religion, greed and selfishness and all the subjects would be governing themselves following the highest order of Dharma called Arya Dharma (The Noble Dharma).
