Connecting with God Renovare, 2009-06-02 How can we experience God? God has communicated with his people throughout the ages in many ways. Adam and Eve encountered him directly in the Garden of Eden, Teresa of Avila experienced him through visions, and Francis of Assisi heard his voice in nature. This book gives practical advice for connecting on a deeply personal level with God. It uncovers new places to look for God, while providing reflection questions and activities to reinvigorate communication with God in such traditional areas as prayer and Bible study. Divided into twelve chapters conveniently organized for individual or group study, each section explores a different area in which we can deepen our individual communion with God. The Renovaré Spiritual Formation Guides, created by Richard J. Foster and the team that developed The Renovaré Spiritual Formation Bible and the longstanding A Spiritual Formation Workbook, provide tangible lessons that help us become spiritually formed, conformed, and transformed into the image of Jesus Christ. Geared for either individual study or use in small groups, each Renovaré Spiritual Formation Guide explores one facet of our life with God, providing readings from Scripture as well as classic and contemporary works of spirituality. The combination of readings, reflection questions, exercises, and activities makes these books invaluable interactive guides that prompt true spiritual growth.

A Spiritual Uplifting Dorris Owney Jackson, 2021-02-12 A SPIRITUAL UPLIFTING is a collection of experiences, encouragement and inspiration that helped me to be who I am today. A true believer and woman of God. To show others that everyday is not sunshine but that God delivers us through it all. One thing I realized in my belief that God answers all prayers. Sometimes it's YES what we all want to hear. Sometimes it's NO to protect us from forces we can't see. Sometimes it's WAIT you can't handle it right now. My poems are intended to uplift, elevate and console the mind. To remind those reading them there is a light at the end of the tunnel. Trouble comes to make us stronger. We were never promised there wouldn't be trials and tribulations. But, we were promised that we are not alone or forsaken. Our heavenly father always has a ram in the bush. In these contents there is something encouraging and inspiring for everyone. Even those whose lives have been sweeter (easier) than others. Prayerfully you will uplift someone else. Within are my truths, some of my life experiences. Along with the assurance that life is an awesome gift. No matter what one might face. There have been good people and good times in my life. There have been some not so good people and times. We can one day look back on the good and tough times smile and be thankful for the experiences that helped us realize our purpose in life. I inspire you yo stay positive to pray your way through. Laugh when you feel like crying. To put your trust and faith in God not in man. Know that God has all power in

his hands. I know the plans I have for you declares the Lord. Plans to prosper you and not to harm you. Plans to give you hope and a future. Jeremiah 29:11 So relax, enjoy and allow your soul to be soothed. Life is worth the living.

Interview with a Spiritual Warrior George Macias,2020-06-24 This book documents my unique, firsthand experiences as a spiritual warrior for the Lord Jesus Christ. For the past fifteen years, I have been battling evil entities in the spiritual realm, and thanks to the Lord, I have successfully overcome them. To begin, the Lord had to teach me how to enter the spiritual dimension and travel outside of my physical body. This book details my becoming a spiritual warrior of the Lord. The Lord called me to my mission in 1984 when I was visited by the Blessed Mother, who gave me the Lord's graces and blessings and awakened me to my spirituality. Since then, the Holy Spirit has guided me, increasing my acceptance that I had a special gift. As a truly charismatic Christian, I have been blessed with the miraculous gift of being groomed by the Holy Spirit to fight spiritual battles on behalf of those whom the Lord has guided to me. The Holy Spirit has taught me how to fight these battles not in the physical world but in the spiritual realm of our Lord. Through this miracle, I have traveled to the stars and beyond, to far distant planets, and to other dimensions outside of our galaxy to do the work of our Lord. This book documents my fifteen years of experience as a spiritual warrior. In a world full of ever-increasing reports about people who have had spiritual encounters, I have experienced life after death, and as a warrior, I have personally battled evil entities. In 2014, I received a message from the Lord that instead of visiting people in their homes to pray for them, I needed to write a book on my spiritual battles. By writing the book, it would enable me to help not just hundreds of people but literally thousands throughout the world. I believe our salvation depends on having a deep awareness and understanding of our spirituality. People also need to connect with their spiritual side in order to become successful and fulfilled in life. We all want to live life to the fullest. This book will help the reader to accept the Lord's blessings and the Lord's graces, unlocking the secrets of your spirituality. It will give people hope and increase their faith.

How an Engineering Professor Becomes a Spiritual Philosopher Tommy S. W. Wong, 2016-07-01 Have you met an engineering professor? Have you met an engineering professor who is deep into spirituality and writes spiritual books? I have, and he is me. I had worked as an engineering professor in a university in Singapore. I now write philosophical, self-help and spiritual books. For an engineering professor to become a spiritual author is unusual to say the least. Indeed, it is this unusualness that prompted me to write this book. Engineering and spirituality are often perceived as two ends of a spectrum, and it is. As engineering deals with the physical, and spirituality deals with the non-physical, there is actually tremendous synergy once they are combined. In this book, there are ten chapters in which I share my physical and spiritual journey. They are: (1) Study years, (2) Working years, (3) Academic years, (4) From an engineering professor to a spiritual author, (5) Care for the dying, (6) Being unemployed, (7) Return as consultant, (8) Into politics and socio-political writings, (9) Becoming a spiritual philosopher, and (10) Epilogue. You are invited to join me on this journey. I hope this sharing is beneficial to you. May your life be filled with peace, love, joy and harmony!

Luther as a Spiritual Adviser Dennis Ngien, 2007-06-01 Most Luther scholars have focused largely on the polemical side of the Reformer, with occasional allusion to his Devotional Writings in volumes 42 and 43 of the American editions. The aim of this book is to unfold the pastoral, not the polemical, side of the reformer, drawing on the spiritual insights he offers to people of high and low estate. These writings are devotional and catechetical in shape and intent, yet not devoid of rich theological substance, the fruit of his rigorous reflections. They are the exercises of Luther's basic calling as a theologian-pastor, and are the concrete illustrations of the interface of theology and piety, the former being the abiding presupposition and logical cause of the latter. Through them, readers are informed not only of the Reformation theology of justification, but also introduced to a distinct expression of the Christian faith in which Christ and his cross occupy the centre stage. What is noticeable is the one single overarching theme--God's ways with people--that the Reformer, as a spiritual adviser, sought to relate to the events of his days such as evils, severe afflictions, the prevalent lay abuse of the Eucharist. He counseled how to meditate aright on Christ's passion, prepare to face the terror of death, advise the sick, rightly approach the sacrament of the altar, why and how to pray aright, what benefits could be gained from the Lord's Prayer, and how to live out a life of discipleship under the cross. Ngien's work reveals Luther as a true theologian, i.e., theologian of the cross at work in the

pastoral context.
